## PRESIDENT'S MESSAGE

By: **Andy Ozete**

### Thanksgiving, the Holidays and VLP

Friends,

I'm writing this message in advance of the Thanksgiving holiday as we prepare to roll in to December. Naturally this is the time for some reflection as well as preparing for the busyness of the holidays and year end.

In thinking of thankfulness, I want to revisit one of the points from my very first President's Message. I continue to be grateful for the civility and collegiality of the Bar. Also touching on my second message, this coming month will be incredibly busy. I know many of us will be working very long hours and still trying to find the right balance to spend time with family. If you are feeling overwhelmed, remember that your colleagues are here to help. JLAP also offers resources specifically dealing with stress, anxiety and depression. They can be found here: <https://www.in.gov/courts/jlaphelps>

In the midst of all this, though, in a time of hard work and preparation for year end, it is all too easy to forget, or at least postpone, our commitment to helping those without sufficient access to the justice system. I will commend to you VLP's article in this *Summation* about Talk To A Lawyer and Mike Keating's years of service. I hope that the Talk To A Lawyer sign-up sheets will quickly fill.

I am pleased that we raised over \$5,000 at our virtual trivia night which will be split evenly between the Legal Aid Society and Volunteer Lawyer Program, but I hope that we can also fill the pro bono needs of the most vulnerable. There are several VLP applicants who need help with access to legal services. I list those below.

*Applicant 5538* – Applicant is an income qualified senior citizen seeking help to create basic estate planning documents: will and power of attorney for health care.

*Applicant 3231* – Applicant's mother passed away in August and she and her siblings need help to probate her estate in order to keep her Habitat for Humanity home in their family. Applicant and her children lived with the mother and Applicant indicates all siblings are in agreement.

*Applicant 0170* – Applicant seeks help to obtain an expungement of their criminal record. It appears that the last criminal charges were from 2012 and that the Applicant qualifies for the action.

*Applicant 1111* – Applicant seeks assistance to obtain a divorce. Parties have a child but no major assets or pensions.

I would love to be able to report next month that a lawyer who has not yet this year agreed to take on a pro bono case has accepted each of those cases. Yes, there is one less applicant in the list since I told Scott I would accept one.

I hope each of you had a good Thanksgiving, that you and yours enjoy the holidays and have a safe and prosperous new year.

## VLP News

By: Senior Judge Corcoran and Susan Vollmer

All of us in the Evansville legal community are saddened that our long-time colleague **Mike Keating** recently passed away after a brief illness. While all of us knew him as a skilled practitioner who ably represented his clients and mentored others, you may not know that Mike Keating volunteered hundreds of hours of his time in the past two decades answering the phones at Talk to a Lawyer monthly. He is second only to **Ole Olsen** in the hours and frequency of his volunteer service. During the last two months of the year, we always include a sign-up sheet for Talk to a Lawyer here in the Summation. The EBA and our volunteers conduct this type of community service more than any other jurisdiction in the state. Twenty-five times a year, our members assist the public by answering simple (or sometimes not-so-simple) legal questions. Please consider signing up for a slot in honor of our dear colleague. His service was greatly appreciated.

## *In Memory Of...*

Members of the Evansville Bar Association who have passed away are remembered by friends and colleagues with contributions to the

John L. Sanders Memorial  
 Evansville Bar Foundation.

Thank you for your contributions in memory of...

President

I have noticed quite a few holiday decorations that were up well before Thanksgiving this year. Now that Thanksgiving is officially behind us, the holiday season is here and that means the season of giving and of long-awaited holiday get togethers. Based on the holiday decorations that were up unusually early this year, I suspect that many of you—like me—are ready for the holidays. With this comes not only the stretching of our waistbands, but also of our budgets. During this time of giving, I ask that you find it in your hearts to leave room in your budgets for a donation to the Evansville Bar Foundation. Your donation to the EBF is both tax deductible and reportable under Revised Rule 6.7(a)(3) of the Rules of Professional Conduct. I sincerely hope that each of you have a wonderful holiday season!

## LIBRARIAN'S CORNER: VANDERBURGH LAW LIBRARY FOUNDATION

The Vanderburgh Law Library Foundation is a not-for-profit corporation that has been invaluable in keeping our high-quality legal research facility open to serve the courts, the bar, and the general public. Founded in 1982 under the leadership of the late Vanderburgh Circuit Court Judge William H. Miller, the Law Library Foundation has a dedicated board of directors constantly searching for new ways to enhance library services. This month the current Law Library Foundation President Carl Heldt will send a letter highlighting the many valuable benefits offered to members of the Law Library Foundation.

As one of only two county law libraries in the state of Indiana and the first to offer the services of a *pro se* coordinator, the Law Library provides access to legal resources to members of the public looking for help in dealing with a legal issue or concern for their family. This work has been even more important during the pandemic. Please respond generously to this opportunity to support the Law Library's work! Your membership contribution benefits not only your practice but also our community as a whole.

As always, I welcome your questions, comments, and suggestions. Please feel free to call me, Kathleen Weston, at (812) 435-5175 or send me an email ([kweston@vanderburghgov.org](mailto:kweston@vanderburghgov.org)).

# WE ARE THE EBA

## **Robert Lamey, Associate, Kahn Dees Donovan & Kahn, LLP**

Practicing civil litigation since August 2019.

**Why did you become an attorney?** I enjoy working with people. It always seemed like attorneys were afforded the rare privilege to work closely with people through some of the toughest moments in their lives.

**What is the most valuable asset the EBA has to offer? Why?** It's size. The EBA is large enough to provide the resources for great events and CLE programs while still small enough to foster close relationships between its members.

**What's the best piece of advice you've ever been given?** "There is no tiger." – a guy at a bar. This inebriated sage's point was that, for millions of years, humanity lived cruelly with their biggest fears being the harsh forces of nature, i.e. winters, famine, or predators such as wolves or tigers. Despite having evolved to

practically eliminate these actual threats, we still spend our comfortable, modern lives consumed by worry and stress. While we should stay motivated and vigilant, we need to remember that our fears are largely fictional as there is no "tiger." (If there is a tiger, dial 911).

**What song would you sing a karaoke night?** Tequila – The Champs.

**What always makes you laugh?** Most anything. I think humor is an effective tool to remove counter-productive tension.

**What's your favorite item in your office?** My coffee cup because it holds hot coffee, a necessary elixir.

**If you could only eat one meal for the rest of your life, what would it be?** Noble Roman's breadsticks.

**If you could brush up on a skill or work on a new one, what would it be?** Cooking. I'd like to be able to cook more than just a pop-tart or simple recipe. I don't need to become a chef or the kind of person who sends food back, but I'd like to have a functional understanding of a kitchen.

## **Kayla May, Associate, Kahn Dees Donovan & Kahn, LLP**

1.5 Years in active practice in the areas of litigation, debt collection, landlord-tenant disputes.

**Why did you become an attorney?** I became an attorney originally because I had a fascination with criminal law from a young age and would watch or read about any criminal trial I could at any given time. Also is really embarrassing to admit this, but I used to think Judge Judy was so cool and I wanted to be just like her one day as well. I probably watched every episode that aired for many years as a child.

**What is the best piece of advice you've ever been given?** To not only focus on the end result, but instead to enjoy the process along the way. In focusing on that, you are really able to enjoy the small milestones rather than just the achievement itself.

**How would your friends describe you?** I polled my friends for this response, so just a few words on how my

friends describe me: outgoing, charismatic, bubbly, loyal, kind, loving, genuine, considerate, compassionate and reliable.

**What is your favorite family tradition?** I have five sisters, and at this point in our lives most of us are married, have children, or engaged to be married. Due to that, we have a hard time all getting together in one place with our significant others to celebrate Thanksgiving and Christmas, so every year all the sisters get together to have a joint Thanksgiving and Christmas party. At this party we pick a "theme" for food that essentially is not traditional Thanksgiving food, play card games and just spend quality time together. This is my favorite because I know this is one guaranteed day of the year we can all be together having way too much fun.

**If I could not work for 1 year, what would you do?** I would take the time to travel the world, both inside and outside of this Continent and develop myself in other areas and skill sets outside of my career. There are so many things in this world I would love to see or experience, and so many hobbies I would love to pick up, but work has always come first.

## **Patrick Thomas, Partner, Kahn Dees Donovan & Kahn, LLP**

8 years of practice in civil litigation

**Why did you become an attorney?** I always wanted to work in a profession that helped people. I enjoy working with people and solving problems. Becoming an attorney also allowed me to pursue my interests in business and law.

**Why is it important to be a member of the EBA?** The EBA provides access to incredible people and resources. It is a great way to network with and learn from other attorneys. This is especially true for younger attorneys.

**What are your hobbies?** I enjoy running, being outdoors, going to concerts, serving as a youth leader, and spending time with family and friends. I also like watching sporting events, especially my Cincinnati Bengals and Reds.

**What are three (3) fun or interesting facts about you that people may not know?** 1. I am a triplet. 2. I hate cheese. 3. I have run five marathons.

**If you could only eat one meal for the rest of your life, what would it be?** Bru Burger's Mexicali (no cheese).

**What song would you sing a karaoke night?** Whitesnake- Here I go Again

**What was your first job?** In the summer when I was 14, I worked for my teacher's landscaping company.

**How many pairs for shoes do you own?** 12, but most are old pairs of running shoes.

**What is your favorite movie?** The Dark Knight.

**If you could not work for 1 year, what would you do?** I would travel, volunteer coach, and do youth ministry.
