Re: 2018 Grant Support

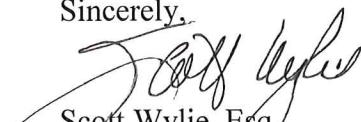

Dear Ms. Breeden,

For as long as I have been involved with the EBA, I have always been so proud that we have such a large and effective foundation to support work that is at the core of our profession. It is a privilege to now represent the Volunteer Lawyer Program in getting to acknowledge your work and thank the Foundation for its support of our local pro bono efforts.

Please extend VLP's thanks for the Foundation's funding that will allow us to continue our expanded Talk to a Lawyer Program. Your funds will allow us to add to the 11,070 consultations that TTAL has done in the past 15 plus years. The second grant you have made will allow us to advertise the availability of TTAL and our traditional direct service programs in partnership with the Legal Aid Society of Evansville and Indiana Legal Services. When we produce these new materials we will be able to offer access information in Spanish for the first time – supporting the goals of the EBA Diversity Committee and their important efforts.

VLP is lucky to have a legal community so committed to its success. On behalf of the clients we serve, thank you.

Sincerely,

Scott Wylie, Esq.
District K Plan Administrator
